LATEST EVIDENCE-BASED NEWS FROM THE WORLD

Bring your top-quality Phlebo-lymphology Science on the INTERNATIONAL STAGE

INTERNATIONAL SESSION on the Web, Tuesday, September 7th, 2021 at 14:00-16:00 (tentative) Japan Standard Time (5 am GMT)

The 41st Annual Meeting of the Japanese Society of Phlebology is pleased to invite you to submit your best scientific work for the international session.

Everybody is welcome to join this session!

The initiative is developed by the International Committee of the Japanese Society of Phlebology in conjunction with the venous-lymphatic World International Network (v-WIN) foundation. The session will focus on evidence-based data from the latest investigations and will include significant time for open discussion with key opinion leaders from all around the world.

Scientific Awards:

- Inclusion of the selected abstract author in the invited faculty of the v- **WINter DUBAI 10th international interuniversity meeting in phlebology & lymphology** (Feb 3-5, 2022, DUBAI) + *Free registration* to the whole event + 500 USD travel grant for a younger than 35yo colleague indicated by the same author of the selected work.
- JSP International Award will also be provided. Detail is TBA.

The 3 winning abstracts are sent to the European Venous Forum (EVF) who will accept one to be presented at the annual meeting of the EVF. "Integral Travel Award" will give a grant up to ¥300,000 to cover the travel expenses in attending the meeting, or ¥50,000 if there are no travel needs.

RULES & REGULATION

DEADLINE: **Tuesday, June 15th, 2021**

- Pertinent references must be reported both in the abstracts and in the eventual study presentation during the session.
- Word count: 300 words in BACKGROUND, METHODS, RESULTS, DISCUSSION format.
- Tables & figures equal to 25 words each.
- Figure legends are included in the word count.
- Abstracts already presented and/or published elsewhere are accepted.
- Abstracts submitted not following the above reported rules will be not be reviewed.
- All submitted abstracts will be peer reviewed blindly by the Scientific Committee.

EVALUATION GRID:

The scientific committee will fill in the below reported grid, delivering detailed scores to all the abstract submitters. In this way, submitters are informed, in advance, regarding the evaluation system and that transparency is promoted. An additional score will be given on September 7th, based on the skills shown by the speakers during the talk and the related discussion.

	STUDY DESIGN & STATISTICAL ANALYSIS (0 TO 10)*	PRESENTATION OF THE BACKGROUND, RESULTS AND DISCUSSION (0 TO 10)	KNOWLEDGE IMPROVEMENT IN THE INVESTIGATED TOPIC (0 TO 10)	CONTRIBUTION TO INNOVATION (0 TO 10)	POTENTIAL IN TRIGGERING DISCUSSION (0 TO 10)	TOTAL
SPEAKER 1
